Special Dietary Needs Information

When dining at Dollywood, please remember to inform the cashier and/or wait staff at any food location of any special dietary needs. Since a variety of foods and ingredients are used throughout Dollywood's many food preparation areas, please inform the staff upon arrival of **any** potential food allergies.

For Guests who must avoid **PEANUTS, TREE NUTS** or any derivative, signs are posted at all restaurants and food locations where peanuts, tree nuts and/or peanut oil are used. Please be aware that the Miss Lillian's, Miss Lillian's BBQ Corner, Aunt Granny's, Spotlight Bakery, Village Ice Creamery, Backstage, Victoria's Pizza, Rivertown Refreshments, and the Sweet Shoppe feature food items that are produced to Dollywood's specifications that contain nuts and/or nut products in their recipes. Red's Diner, Ham 'n' Beans, Thunderhead Coke Truck, and Grandstand all serve prepackaged peanut butter and jelly sandwiches or ice cream novelties. However, Guests with any type of food allergy should consult with the food attendant before ordering.
